**Commissioner for Patents**

This communication is submitted for clarification of the IDS submitted on 1/16/07. The IDS submitted on 1/16/07 did not contain a 1449, so no references were available for consideration by the Examiner. The Non-Final Office Action of 6/7/07 noted the missing information and requested applicant to resubmit the IDS for consideration. On 6/18/07 applicant resubmitted the IDS and in the Office Action of 11/26/07 the IDS was considered and so noted in the Final Office Action. Therefore, there are no references that could be considered in the IDS paper filed 1/16/07. All Information Disclosure Statements submitted in this case have been considered as of the writing of this communication.
